THE AGREEMENT

The principal terms of the Agreement are as follows:

Date of the Agreement

18 June 2014

Parties to the Agreement

The Purchaser and the Supplier

To the best knowledge, information and belief of the Directors after making necessary enquiry, (i) the Supplier is a wholly-owned subsidiary of Weike (S) Pte; (ii) Weike (S) Pte is owned as to 65% by Dato Poh (who is a substantial Shareholder), 10% by Mr. Poh Yuan Rui (who is the son of Dato Poh and also a director of the Purchaser), 20% by Mr. Sneah (who is the executive Director) and 5% by Independent Third Parties; and (iii) the Supplier is a manufacturer of the Products and other related equipment and system and a provider of the Services approved by the relevant authorities including but not limited to DICJ.

LETTER FROM THE BOARD

Products and Services

Pursuant to the Agreement, the Supplier agrees to sell and/or supply and the Purchaser agrees to purchase the Products and Services at the Purchase Prices during the Term.

Pricing basis

The purchase prices of the Products (exclusive of freight, carriage and insurance of the products from the warehouse of the Supplier) and the Services are determined with reference to the existing corporate deal package issued by the Supplier (the “**Package**”) and any subsequent change in purchase prices of the Products and the Services will be subject to further negotiation between the Supplier and the Purchaser from time to time. The Products are charged based on the actual number of the Products purchased from the Supplier and the Services are charged based on the number of slot and multi terminal machines served by the Supplier. According to the Package, the Supplier offers 12-month free Services (the “**Warranty Period**”) and no service fee on the Services will be charged within the first 12 months from the date of the relevant purchases of the Products. After the Warranty Period, US\$18 per slot and multi terminal machine per month will be charged by the Supplier.

In addition, the parties to the Agreement agreed that the Purchase Prices will not be less favourable than the selling prices of the Products and/or Services sold by the Supplier to the Independent Third Parties. The Supplier shall provide a written confirmation annually no later than sixty (60) days from each of the three years ending 31 March 2015, 2016 and 2017 to the Purchaser to confirm that the prices of the Products and/or Services supplied to the Purchaser will not be less favorable than the prices of similar products and/or services of a similar quantity supplied to the Independent Third Parties.

Payment terms

The Purchase Price in respect of the Products except the spare parts of equipment and the related software and systems shall be paid by six monthly equal instalments and the first payment to be made within 30 days upon delivery. Payment terms for the spare parts of equipment are 90 days after delivery. The related software and systems shall be paid as to 30% upon confirmation of the purchase order by the Purchaser as deposit, as to 30% before shipment of the related software and systems and as to balance of 40% after activation of the related software and systems.

With respect to the payment terms for the Services, the Supplier shall send a statement in respect of the Services rendered to the Purchaser on a monthly basis, which shall be verified and confirmed in writing by the Purchaser to the Supplier within five (5) Business Days upon the receipt thereof. Payment shall be made to the Supplier within fourteen (14) Business Days upon the confirmation of the monthly statement by the Purchaser.

LETTER FROM THE BOARD

Other terms

The quotation(s) for Products and/or Services shall be given by the Supplier in writing and sent to the Purchaser upon its request specifying: (i) the quantities and descriptions of the Products and/or Services; (ii) the relevant Purchase Prices; (iii) the expected delivery date; (iv) the mode of delivery; and (v) the terms of payment.

A quotation shall be open for acceptance for a period of seven (7) Business Days from the date of receipt by the Purchaser and may be accepted by the Purchaser at its absolute discretion in respect of the entire or such lesser quantity of the Products and Services specified in the quotation.

Conditions precedent

The Agreement is conditional upon:

- (1) the passing by the Independent Shareholders at a special general meeting of the Company to be convened and held of an ordinary resolution to approve the Agreement and the transactions contemplated thereunder (including the Purchase Caps);
- (2) all necessary consents, authorisations, licenses and approvals required to be obtained on the part of the Supplier in respect of the Agreement having been obtained; and
- (3) all necessary consents, authorisations, licenses and approvals required to be obtained on the part of the Purchaser in respect of the Agreement having been obtained including without limitation the DICJ approval, if required.

If any of the conditions set out in above have not been satisfied on or before the Long Stop Date (no later than 4:00 p.m.), the Agreement shall cease and determine and thereafter neither party shall have any obligations and liabilities towards each other thereunder save for any antecedent breaches of the terms thereof. As at the Latest Practicable Date, none of the condition has been fulfilled.

LETTER FROM THE BOARD

Historical transaction amounts and proposed Purchase Caps

Historical transaction amounts

For the year ended 31 March 2014, the annual purchase amounts of the Products and the Services from the Supplier by the Purchaser were amounted to HK\$14,670,000 and HK\$Nil respectively. The historical average purchase price of the Products was approximately HK\$220,000 and no service fee was charged on the Services for the six months ended 31 March 2014.

Purchase Caps

In accordance with Rule 14A.53 of the Listing Rules, the maximum aggregate amounts payable by Purchaser to Supplier for the Products and Services shall not exceed the relevant amount of the Purchase Caps for each of the periods indicated in the following table:

	From the Commencement Date to 31 March	Years ending 31 March	
	2015	2016	2017
	<i>HK\$</i>	<i>HK\$</i>	<i>HK\$</i>
Total amount payable	62,451,000	58,004,000	80,674,000

In arriving at the above Purchase Caps, the Directors have considered:

- (i) the historical transaction amounts of the Products and the Services for the six months ended 31 March 2014 since the completion of the acquisition of the entire equity interest in the Purchaser by the Group (the “**Acquisition**”) in September 2013;
- (ii) the average purchase price of the Products will increase by approximately 5% per annum for each of the two years ending 31 March 2016 and 31 March 2017;
- (iii) the service fee on the Services will be charged at US\$18 per slot and multi terminal machine per month after the Warranty Period;
- (iv) the Package taken in effect from 1 November 2013, which contained the list prices, discounts and the agreed corporate prices for each of the Products and Services;

LETTER FROM THE BOARD

- (v) the prevailing market prices of similar products and services purchased by the Purchaser from other independent suppliers;
- (vi) the projected future needs for the Products and Services after taking into consideration of the business plan of the Group to increase the number of slot and multi terminal machines to be operated under the Group to 3,000 or more slot and multi terminal machines throughout Asia, of which about 30% were/are purchased from the Supplier, in the coming three years; and
- (vii) the future business expansion plan of the Group to focus on developing its business in management of electronic gaming equipment in Macau for the year ending 31 March 2015 and gradually develop the Asian market for the two years ending 31 March 2016 and 2017.

Even though the purchases of the Products and Services from the Supplier for the year ended 31 March 2014 only amounted for approximately 23% of the relevant Purchase Cap for the year ending 31 March 2015, the Directors (including the independent non-executive Directors after taking into account the advice and recommendation from Nuada Limited, but excluding Mr. Sneah who had abstained from voting due to conflict of interest) believe that the above proposed Purchase Caps are reasonably determined after taking into consideration of the aforesaid factors, especially the expected increase in purchase of the Products and the Services.

The terms of the Agreement have been reached after arm's length negotiation between the parties thereto and the Agreement has been entered into in the ordinary and usual course of business of the Group and is on normal commercial terms.

INTERNAL CONTROL PROCEDURES OF THE GROUP IN RELATION TO THE PURCHASES FROM THE SUPPLIER

The Group adopts the following internal control procedures to (i) determine the price and terms of the transactions contemplated under the Agreement so as to ensure that the transactions to be conducted on normal commercial terms and not prejudicial to the Company's and its minority Shareholders' interest and (ii) ensure that the pricing mechanism contemplated under the Agreement has been followed.

1. The technical team of the Purchaser obtains quotation from the Supplier for each purchase and compares the price of similar products provided by at least two other suppliers to ensure the price competitiveness of the products purchased by analyzing the return generated from relevant products.

LETTER FROM THE BOARD

2. Afterwards, the accountant from the finance department of the Group compares the quotation against the Package offered by the Supplier to ensure the products are charged in accordance with the Package.
3. The chief financial officer of the Group approves the aforesaid transaction after performing procedures mentioned in the above point (2) and evaluating the price competitiveness of the relevant products against other quotations provided by other suppliers.
4. The parties to the Agreement agreed that the Purchase Prices will not be less favourable than the selling prices of the Products and/or Services sold by the Supplier to the Independent Third Parties. The Supplier shall provide a written confirmation annually no later than sixty (60) days from each of the three years ending 31 March 2015, 2016 and 2017 to the Purchaser to confirm that the prices of the Products and/or Services supplied to the Purchaser will not be less favorable than the prices of similar products and/or services of a similar quantity supplied to the Independent Third Parties.
5. Pursuant to Rule 14A.55 of the Listing Rules, the independent non-executive Directors will review the continuing connected transactions including the purchases under the Agreement every year and confirm in annual report whether those purchases are conducted (i) in the ordinary and usual course of business of the Group; (ii) on normal commercial terms or better; and (iii) according to the agreement governing them on terms that are fair and reasonable and in the interests of the Company and the Shareholders as a whole.
6. Pursuant to Rule 14A.56 of the Listing Rules, the Company will engage its auditor to report on the continuing connected transactions including the purchases under the Agreement every year and will provide a letter to the Board confirming whether anything has become to their attention that causes them to believe that the continuing connected transactions (i) have not been approved by the Board; (ii) were not, in all material respects, in accordance with the pricing policies of the Group if the purchases involve the provision of the goods and services by the Group; (iii) were not entered into, in all material respects, in accordance with the relevant agreement governing the transactions; and (v) have exceeded the relevant Purchase Cap.

Based on the aforesaid procedures and policies of the Group for determining the prices and terms of the transactions contemplated under the Agreement, the Board considers that those transactions will be conducted on normal commercial terms and not prejudicial to the Company and its minority Shareholders' interest.

LETTER FROM THE BOARD

REASONS FOR ENTERING INTO THE AGREEMENT AND BENEFITS EXPECTED TO ACCRUE TO THE GROUP

The Group is principally engaged in manufacturing and sales of packaging products and the management of electronic gaming equipment in Macau.

In September 2013, the Group successfully acquired the entire equity interest in the Purchaser, which is a Macau-based casino service provider principally engaged in management of electronic gaming machines in casinos via service agreements. The Purchaser installs electronic gaming machines, including slot and multi terminal machines, slot management systems and all other associated equipment into the gaming destinations and provides full managerial support and operational and technical staff to service the electronic gaming operations. In return, the Purchaser receives periodical performance bonus payments from each casino operator which is generally calculated based on a percentage of the revenue.

Currently, the Purchaser offers the aforesaid management services to three casinos in Macau, namely Casino VIP Legend, Casino Casa Real and Casino Grandview (the “**Macau Sites**”) and also provides information technology services to another two casinos in Macau. At present, the Purchaser installs a mix of slot and multi terminal machines under different brand names in each slot hall to increase the variety of games offered to customers. It also installs a slot management system in each slot hall to monitor the performance of the slot and multi terminal machines, manage slot jackpots and operate player membership system. On top of the slot and multi terminal machines and slot management system installed in Casino VIP Legend prior to the Acquisition, the Purchaser has set up 120 and 2 slot and multi terminal machines and slot management systems respectively in the Macau Sites.

In future, the Purchaser will continue to procure new business relationship in Macau and plans to extend its geographical reach to Asia. It has a business plan to expand its operation to operate 3,000 or more slot and multi terminal machines throughout Asia in the coming three years.

It is the strategy of the Group to continue business relationship with the Supplier, which is one of the approved manufacturers of gaming systems in Macau, and acquire the slot and multi terminal machines and the slot management systems from the Supplier after taking into consideration the need to diversify slot and multi terminal machine mix in the slot halls managed by the Purchaser and the comparatively attractive payment terms and services offered by the Supplier. In addition, the parties to the Agreement agreed that the Purchase Prices will not be less favourable than the selling prices of the Products and/or the Services sold by the Supplier to the Independent Third Parties. The Directors believe that it is beneficial for the Group to enter into the Agreement so as to secure the continual supplies of the slot and multi terminal machines and slot management systems from the Supplier.

LETTER FROM THE BOARD

In consideration of the above, the Directors (including the independent non-executive Directors after taking into account the advice and recommendation from Nuada Limited, but excluding Mr. Sneah who had abstained from voting due to conflict of interest) believe that the terms of the Agreement are fair and reasonable and in the interests of the Company and the Shareholders as a whole.

CONNECTED RELATIONSHIP BETWEEN THE PARTIES AND THE IMPLICATIONS OF THE LISTING RULES

To the best knowledge, information and belief of the Directors, the Supplier is wholly owned by Weike (S) Pte, which is owned as to 65% by Dato Poh (who is a substantial Shareholder and owns approximately 29.17% beneficial equity interest in the Company through Luck Continent Limited), 10% by Mr. Poh Yuan Rui (who is the son of Dato Poh and also a director of the Purchaser), 20% by Mr. Sneah (who is the executive Director and owns approximately 2.13% Shares in the Company)* and 5% by Independent Third Parties. Each of Dato Poh, Mr. Poh Yuan Rui and Mr. Sneah is a director of Weike (S) Pte and the Supplier. Therefore, the Supplier is a connected person to the Company as defined in the Listing Rules. Accordingly, the transactions contemplated under the Agreement constitute continuing connected transactions of the Company under Chapter 14A of the Listing Rules.

As one or more of the applicable percentage ratios (other than the profits ratio) as defined in Rule 14A.06(30) of the Listing Rules in respect of the transactions contemplated under the Agreement exceed 25% and/or the annual consideration is more than HK\$10 million, the Agreement is subject to the reporting, announcement, annual review and independent shareholders' approval requirements under Chapter 14A of the Listing Rules.

Dato Poh, Mr. Sneah and their respective associates, in aggregate own approximately 31.3% beneficial equity interest in the Company, will abstain from voting in respect of the resolution approving the Agreement and the transactions contemplated thereunder (including the Purchase Caps) at the SGM. Mr. Sneah, the executive Director, has abstained from voting in respect of the aforesaid matters at the meeting of the Board.

Saved as disclosed above, to the best of the Directors' knowledge, information and belief, as at the Latest Practicable Date, the Company is not aware of any Shareholder who has a material interest in the Agreement and the transactions contemplated thereunder.

* *Mr. Sneah was interested or deemed to be interested in 6,230,000 Shares within the meaning of Part XV of the SFO and was interested in Share Options with the right to subscribe for 17,300,000 Shares within the meaning of Part XV of the SFO, of which only 2,300,000 were vested while the remaining 15,000,000 were not vested.*

In accordance with Rule 17.04(1) of the Listing Rules, the grants of the Share Options to Mr. Sneah on both 10 January 2014 and 3 July 2014 had also been approved by the independent non-executive Directors. As at the Latest Practicable Date, none of the Share Options granted to Mr. Sneah on 10 January 2014 and 3 July 2014 respectively have been exercised.

By offering the Share Options to the eligible participants, the Company intended to reward Directors, chief executive of the Company and employees of the Group for their contribution to the business of the Group and/or to encourage them to remain in the service and/or employment of the Group and devote their best efforts to the Group and thereby would enhance the performance of the Group. On 14 January 2013, a total of 1,500,000 Share Options were also granted to Mr. Sneah.

LETTER FROM THE BOARD

According to Rule 17.03(4) of the Listing Rules, where any further grant of Share Options to a participant would result in the securities issued and to be issued upon exercise of all the Share Options granted and to be granted to such person (including exercised, cancelled and outstanding Share Options) in the 12-month period up to and including the date of such further grant representing in aggregate over 1% of the relevant class of securities in issue, such further grant must be separately approved by Shareholders in general meeting. Since the total number of Shares issued and to be issued upon exercise of the Share Options granted to Mr. Sneah in the 12-month periods ended on both 10 January 2014 and 3 July 2014 have exceeded 1% of the Shares then in issue respectively, the grant of 11,500,000 Options to Mr. Sneah on 10 January 2014 and the grant of 5,800,000 Options to Mr. Sneah on 3 July 2014 shall both be approved by the Shareholders at the SGM. As at the Latest Practicable Date, Mr. Sneah was interested or deemed to be interested in 6,230,000 Shares within the meaning of Part XV of the SFO and was interested in share option with the right to subscribe for 17,300,000 Shares within the meaning of Part XV of the SFO, of which only 2,300,000 options were vested while the remaining 15,000,000 options were not vested. Accordingly, Mr. Sneah and his associates shall abstain from voting at the SGM.

PROPOSED AMENDMENTS TO THE SHARE OPTION SCHEME

The Share Option Scheme was adopted by the Company on 28 September 2012. In order to allow the Board to have more flexibility in the administration of the Share Option Scheme and to improve the attractiveness of the Share Option Scheme as incentive or reward to the eligible participants, the Board proposes to amend the terms and conditions of the Share Option Scheme as set out below.

1. Paragraph 6.3(b) of the Share Options Scheme is amended to provide that if the grantee of a Share Option ceases to be an eligible participant by reason of voluntary resignation or expiration of his term of directorship in accordance with his contract of employment before exercising the Share Option in full, he may exercise the Share Option (to the extent not already exercised) in whole or in part within a period of six months following the date of such cessation.
2. Paragraph 6.3(g) of the Share Options Scheme is amended to provide that if a general or partial offer being made to all Shareholders (or all such holders other than the offeror and/or person controlled by the offeror and/or any person acting in concert (as defined in The Hong Kong Code on Takeovers and Mergers) with the offeror) and such offer becomes or is declared unconditional prior to the expiry date of the Share Option, the grantee shall be entitled to exercise the Share Option in full (to the extent not already exercised) or to the extent as may be notified by the Company in writing to the grantee setting out the time within which the Share Option can be exercised.

LETTER FROM THE BOARD

3. Paragraph 4.1 of the Share Option Scheme is amended to be in line with Rule 17.05 of the Listing Rules on restriction on the time of grant of Share Options, i.e. no Share Option shall be granted (i) after Inside Information (as defined in Part XIVA of the SFO) has come to the Company's knowledge until such Inside Information has been announced by the Company; and (ii) during the period commencing from one month immediately preceding the earlier of: (a) the date of the Board meeting for approving the Company's results; and (b) the deadline for the Company to publish its results, and ending on the date of the results announcement.
4. There are some other minor cosmetic changes such as the use of the terms "Exercise Price" instead of "Subscription Price", "Validity Period" instead of "Option Period", and "Inside Information" instead of "price sensitive information" etc.

The original paragraphs 6.3(b), 6.3(g) and 4.1 are set out below.

Save and except the above proposed amendments, all principal terms of the Share Option Scheme remain unchanged and are set out in appendix III to the circular of the Company dated 31 August 2012. A copy of the amended Share Option Scheme with the above proposed amendments incorporated is available for inspection at the principal place of business of the Company in Hong Kong for a period of 14 days before the date of the SGM and at the SGM.

According to note (2) of Rule 17.03 of the Listing Rules, any alterations to the terms and conditions of the Share Option Scheme which are of a material nature must be approved by the Shareholders, except where the alterations take effect automatically under the existing terms of the Share Option Scheme. Accordingly, the proposed amendments to the Share Option Scheme shall be approved by the Shareholders at the SGM. To the best of the Directors' knowledge, information and belief having made all reasonable enquiry, there are no Shareholders having a material interest in the proposed amendments to the Share Option Scheme and accordingly no Shareholder is required to abstain from voting in respect of the resolutions approving the amendments of the Share Option Scheme at the SGM.

For ease of reference, the original paragraphs 6.3(b), 6.3(g) and 4.1 of the Share Option Scheme are reproduced below for comparison:

- "6.3(b) in the event of the Grantee who is an employee or a director of the Group or any Invested Entity ceasing to be an Eligible Participant by reason of ill-health or retirement in accordance with his contract of employment before exercising the Option in full, he may exercise the Option (to the extent not already exercised) in whole or in part in accordance with the provisions of sub-paragraph 6.2 within a period of six months following the date of such cessation or, if any of the events referred to in sub-paragraph 6.3(g), 6.3(h) or 6.3(i) occurs during such period, exercise the Option pursuant to sub-paragraph 6.3(g), 6.3(h) or 6.3(i) respectively. The date of cessation as aforesaid shall be the last day on which the Grantee is actually at work with the Company or the relevant Subsidiary or the relevant Invested Entity whether salary is paid in lieu of notice or not;

LETTER FROM THE BOARD

6.3(g) if a general or partial offer, whether by way of take-over offer, share re-purchase offer, or scheme of arrangement or otherwise in like manner is made to all the holders of Shares, or all such holders other than the offeror and/or any person controlled by the offeror and/or any person acting in association or concert (as defined in the Takeover's Code) with the offeror, the Company shall use all its reasonable endeavours to procure that such offer is extended to all the Grantees on the same terms, mutatis mutandis, and assuming that they will become, by the exercise in full of the Options granted to them, shareholders of the Company. If such offer becomes or is declared unconditional or such scheme of arrangement is formally proposed to shareholders in the Company, the Grantee shall, notwithstanding any other terms on which his Options were granted, be entitled to exercise the Option (to the extent not already exercised) to its full extent or to the extent specified in the Grantee's notice to the Company in accordance with the provisions of sub-paragraph 6.2 at any time thereafter and up to the close of such offer (or any revised offer) or the record date for entitlements under the scheme of arrangement, as the case may be;

4.1 The Board shall, subject to and in accordance with the provisions of this Scheme and the Listing Rules, be entitled (but shall not be bound) at any time and from time to time on any Business Day within a period of ten years commencing on the Adoption Date to make an Offer to such Eligible Participant as it may in its absolute discretion select, and subject to such conditions as the Board may think fit, to subscribe for such number of Shares (being a board lot for dealing in Shares on the Stock Exchange or an integral multiple thereof) as the Board may, subject to paragraph 10, determine at the Subscription Price provided that no Option shall be granted by the Board:

- (1) after a price sensitive event has occurred or a price sensitive matter has been the subject of a decision until such price sensitive information has been published by the Company;
- (2) during the period commencing 60 days immediately preceding the earlier of:
 - (a) the date of the meeting of the Board (as such date is first notified to the Stock Exchange in accordance with the Listing Rules) for the approval of the Company results for any year (whether or not required under the Listing Rules);

LETTER FROM THE BOARD

- (3) during the period commencing 30 days immediately preceding the earlier of:

Dear Sirs,

INTRODUCTION

We refer to our engagement as independent financial adviser to advise the Independent Board Committee and the Independent Shareholders in respect of the Agreement, particulars of which are set out in the letter from the Board (the “**Letter from the Board**”) contained in the Company’s circular dated 24 July 2014 (the “**Circular**”), of which this letter forms part. Unless the context requires otherwise, capitalised terms used in this letter shall have the same meanings as those defined in the Circular.

On 18 June 2014, the Purchaser, a wholly-owned subsidiary of the Company, entered into the Agreement, pursuant to which, the Supplier agrees to sell and/or supply and the Purchaser agrees to purchase the Products and Services at the Purchase Prices, provided that the purchases by the Group during the Term shall not exceed the relevant Purchase Caps as stated below:

	From the Commencement Date to 31 March 2015 HK\$	Year ending 31 March 2016 HK\$	Year ending 31 March 2017 HK\$
Total amount payable	62,451,000	58,004,000	80,674,000

LETTER FROM NUADA LIMITED

As at the date of the Circular, the Supplier is wholly owned by Weike (S) Pte, which is owned as to 65% by Dato Poh (who is a substantial Shareholder and owns approximately 29.17% beneficial equity interest in the Company through Luck Continent Limited), 10% by Mr. Poh Yuan Rui (who is the son of Dato Poh and also a director of the Purchaser), 20% by Mr. Sneah (who is the chairman of the Company and an executive Director and owns approximately 2.13% Shares in the Company) and 5% by Independent Third Parties. Each of Dato Poh, Mr. Poh Yuan Rui and Mr. Sneah is a director of Weike (S) Pte and the Supplier. Therefore, the Supplier is a connected person to the Company as defined in the Listing Rules. Accordingly, the transactions contemplated under the Agreement constitute continuing connected transactions of the Company under Chapter 14A of the Listing Rules. As one or more of the applicable percentage ratios (other than the profits ratio) as defined in Rule 14A.06(30) of the Listing Rules in respect of the transactions contemplated under the Agreement exceed 25% and/or the annual consideration is more than HK\$10 million, the Agreement is subject to the reporting, announcement, annual review and independent shareholders' approval requirements under Chapter 14A. of the Listing Rules.

Dato Poh, Mr. Sneah and their respective associates will abstain from voting in respect of the resolution approving the Agreement and the transactions contemplated thereunder (including the Purchase Caps) at the SGM. Mr. Sneah, the executive Director, has abstained from voting in respect of the aforesaid matters at the meeting of the Board.

The Independent Board Committee, comprising Mr. Io Rudy Cheok Kei, Mr. Yong Peng Tak, Mr. Goh Hoon Leum and Mr. Er Kwong Wah, all being independent non-executive Directors, has been appointed to advise the Independent Shareholders on whether the terms of the Agreement and the transactions contemplated thereunder (including the Purchase Caps) are on normal commercial terms and in the ordinary and usual course of business of the Group, fair and reasonable and in the interests of the Company and the Shareholders as a whole. We, Nuada Limited, have been appointed as the independent financial adviser to advise the Independent Board Committee and the Independent Shareholders in this regard.

We have assumed that all information and representations contained or referred to in the Circular and all information and representations which have been provided by the management of the Company and the Directors, for which they are solely and wholly responsible for, were true, accurate and complete at the time when they were made and continue to be so as at the date hereof.

LETTER FROM NUADA LIMITED

Accordingly, we have no reason to suspect that any material facts or information have been withheld or to doubt the truth, accuracy and completeness of the information and representations contained in the Circular and provided to us by the management of the Company and the Directors, or the reasonableness of the opinions expressed by the management of the Company and the Directors. The Directors collectively and individually accept full responsibility for the accuracy of the information in the Circular and confirm, having made all reasonable enquiries, that to the best of their knowledge and belief, opinions expressed in the Circular have been arrived at after due and careful consideration and there are no other facts the omission of which would make any statement in the Circular misleading. Furthermore, we relied on the Company that it has provided us sufficient information to reach an informed view and to provide a reasonable basis for our opinion and we have relied on such information and opinions. We have not, however, conducted any independent in-depth investigation into the business and affairs, financial conditions or the future prospects of the Group, the Supplier and/or their respective subsidiaries or associates.

PRINCIPAL FACTORS CONSIDERED

In assessing the terms of the Agreement and the transactions contemplated thereunder (including the Purchase Caps) and in giving our recommendation to the Independent Board Committee and the Independent Shareholders, we have taken into account the following principal factors and reasons:

1. Reasons for entering into the Agreement

The Group is principally engaged in manufacturing and sales of packaging products and the management of electronic gaming equipment in Macau. In September 2013, the Group successfully acquired the entire equity interest in the Purchaser, which is a Macau-based casino service provider principally engaged in the management of electronic gaming machines in casinos via service agreements. The Purchaser installs electronic gaming machines, including slot and multi terminal machines, slot management systems and all other associated equipment into the gaming destinations and provides full managerial support and operational and technical staff to service the electronic gaming operations. In return, the Purchaser receives periodical performance bonus payments from each casino operator which is generally calculated based on a percentage of the revenue.

LETTER FROM NUADA LIMITED

Currently, the Purchaser offers the aforesaid management services to three casinos in Macau, namely Casino VIP Legend, Casino Casa Real and Casino Grandview and also provides information technology services to another two casinos in Macau. At present, the Purchaser installs a mix of slot and multi terminal machines under different brand names in each slot hall to increase the variety of games offered to customers. It also installs a slot management system in each slot hall to monitor the performance of the slot and multi terminal machines, manage slot jackpots and operate player membership system. On top of the slot and multi terminal machines and slot management system installed in Casino VIP Legend prior to the Acquisition, the Purchaser has set up 120 and 2 slot and multi terminal machines and slot management systems respectively in the Macau Sites.

In future, the Purchaser will continue to procure new business relationship in Macau and plans to extend its geographical reach to Asia. It has a business plan to expand its operation to operate 3,000 or more slot and multi terminal machines throughout Asia in the coming three years.

It is the strategy of the Group to continue business relationship with the Supplier, which is one of the approved manufacturers of gaming systems in Macau, and acquire the slot and multi terminal machines and the slot management systems from the Supplier after taking into consideration the need to diversify slot and multi terminal machine mix in the slot halls managed by the Purchaser and the comparatively attractive payment terms and services offered by the Supplier. In addition, the parties to the Agreement agreed that the Purchase Prices will not be less favourable than the selling prices of the Products and/or the Services sold by the Supplier to the Independent Third Parties. The Directors believe that it is beneficial for the Group to enter into the Agreement so as to secure the continual supplies of the slot and multi terminal machines and slot management systems from the Supplier. The Company has provided us the information of the selling prices of the Supplier to other purchasers, and we found that the Purchase Prices are not less favourable than such selling prices of the Products and/or the Services sold by the Supplier to the Independent Third Parties. Besides, the Supplier offers better terms including bigger discount on the machines, longer free-of-charge warranty period and better after sales services than other third party suppliers. The return on investment from the machines to be supplied by the Supplier is also higher than the machines to be supplied by other suppliers.

Besides, the Group adopts the internal control procedures as detailed in the Letter from the Board to (i) determine the price and terms of the transactions contemplated under the Agreement so as to ensure that the transactions will be conducted on normal commercial terms and not prejudicial to the Company's and its minority Shareholders' interests; and (ii) ensure that the pricing mechanism contemplated under the Agreement has been followed. We consider that the adoption of the internal control procedures would safeguard the interests of the Independent Shareholders and is beneficial to the Company.

LETTER FROM NUADA LIMITED

We concur with the Directors that (i) it is reasonable to install a mix of slot and multi terminal machines under different brand names in each slot hall to increase the variety of games offered to customers; (ii) the Purchaser is working according to its business plan; (iii) the entering into the Agreement will secure the continual supplies for the Group from an approved manufacturer of gaming systems in Macau; (iv) the Purchase Prices are not less favourable than the selling prices of the Products and/or the Services sold by the Supplier to the Independent Third Parties; and (v) the Group adopts internal control procedures for determining the prices and terms of the transactions contemplated under the Agreement, and we, therefore, consider the entering into the Agreement is in the interests of and beneficial to the Company and the Shareholders as a whole, and is on normal commercial terms and in the Group's ordinary and usual course of business.

2. Major terms of the Agreement

As stated in the Letter from the Board, pursuant to the Agreement, the Supplier agrees to sell and/or supply and the Purchaser agrees to purchase the Products and Services at the Purchase Price during the Term.

Pricing basis

The Purchase Prices are determined with reference to the existing corporate deal package (the "**Package**") issued by the Supplier and any subsequent change in Purchase Prices will be subject to further negotiation between the Supplier and the Purchaser from time to time. The Products are charged based on the actual number of the Products purchased from the Supplier and the Services are charged based on the number of slot and multi terminal machines served by the Supplier. According to the Package, the Supplier offers 12-month free Services and no service fee on the Services will be charged within the first 12 months from the date of the relevant purchases of the Products. After the Warranty Period, US\$18 per slot and multi terminal machine per month will be charged by the Supplier.

In addition, the parties to the Agreement agreed that the Purchase Prices will not be less favourable than the selling prices of the Products and/or Services sold by the Supplier to the Independent Third Parties. The Supplier shall provide a written confirmation annually no later than sixty (60) days from each of the three years ending 31 March 2015, 2016 and 2017 to the Purchaser to confirm that the prices of the Products and/or Services supplied to the Purchaser will not be less favorable than the prices of similar products and/or services of a similar quantity supplied to the Independent Third Parties.

LETTER FROM NUADA LIMITED

Payment terms

The Purchase Prices in respect of the Products except the spare parts of equipment and the related software and systems shall be paid by six monthly equal instalments and the first payment to be made within 30 days upon delivery. Payment terms for the spare parts of equipment are 90 days after delivery. The related software and systems shall be paid as to 30% upon confirmation of the purchase order by the Purchaser as deposit, as to 30% before shipment of the related software and systems and as to balance of 40% after activation of the related software and systems.

With respect to the payment terms for the Services, the Supplier shall send a statement in respect of the Services rendered to the Purchaser on a monthly basis, which shall be verified and confirmed in writing by the Purchaser to the Supplier within five (5) Business Days upon the receipt thereof. Payment shall be made to the Supplier within fourteen (14) Business Days upon the confirmation of the monthly statement by the Purchaser.

Other terms

The quotation(s) for Products and/or Services shall be given by the Supplier in writing and sent to the Purchaser upon its request specifying: (i) the quantities and descriptions of the Products and/or Services; (ii) the relevant Purchase Prices; (iii) the expected delivery date; (iv) the mode of delivery; and (v) the terms of payment. A quotation shall be open for acceptance for a period of seven (7) Business Days from the date of receipt by the Purchaser and may be accepted by the Purchaser at its absolute discretion in respect of the entire or such lesser quantity of the Products and Services specified in the quotation.

The Purchaser has also made purchases from 4 other suppliers and we have been provided the pricing and payment terms of the purchases from these suppliers for comparison. We found that the pricing and payment terms offered by the Supplier to the Purchaser are similar or more favorable than the other suppliers.

LETTER FROM NUADA LIMITED

After taking into account: 1) pricing and payments terms of the Supplier are comparable to the other suppliers; and 2) the Supplier shall provide a written confirmation annually no later than sixty (60) days from each of the three years ending 31 March 2015, 2016 and 2017 to the Purchaser to confirm that the prices of the Products and/or Services supplied to the Purchaser will not be less favorable than the prices of similar products and/or services of a similar quantity supplied to the Independent Third Parties, we consider that the terms of the Agreement are fair and reasonable so far as the Independent Shareholders are concerned.

3. Purchase Caps

According to the Agreement, the proposed Purchase Caps will not exceed the following:

	From the Commencement Date to 31 March 2015 HK\$	Year ending 31 March 2016 HK\$	Year ending 31 March 2017 HK\$
Total amount payable	62,451,000	58,004,000	80,674,000

In arriving at the above Purchase Caps, the Directors have considered (i) the historical transaction amounts of the Products and the Services for the six months ended 31 March 2014 since the completion of the Acquisition in September 2013; (ii) the average purchase price of the Products will increase by approximately 5% per annum for each of the two years ending 31 March 2016 and 31 March 2017; (iii) the service fee on the Services will be charged at US\$18 per slot and multi terminal machine per month after the Warranty Period; (iv) the Package taken in effect from 1 November 2013, which contained the list prices, discounts and the agreed corporate prices for each of the Products and Services; (v) the prevailing market prices of similar products and services purchased by the Purchaser from other independent suppliers; and (vi) the projected future needs for the Products and Services after taking into consideration of the business plan of the Group to increase the number of slot and terminal machines to 3,000 or more slot and multi terminal machines throughout Asia, of which about 30% were/are purchased from the Supplier, in the coming three years.

The terms of the Agreement have been reached after arm's length negotiation between the parties thereto and the Agreement has been entered into in the ordinary and usual course of business of the Group and is on normal commercial terms.

LETTER FROM NUADA LIMITED

To assess the fairness and reasonableness of the Purchase Caps, we have reviewed the calculation of the Purchase Caps according to the historical purchase prices and the assumptions with reference to the business plan and discussed with the Company regarding the basis and review the business plan of the Purchaser. Having reviewed the business plan, we understand that the Purchaser provides services to the electronic gaming machines at Casino Casa Real and Casino Grandview including handling marketing activities for the gaming sites and initiating different marketing campaigns catered to each venue in accordance with the market's needs. Marketing campaigns range from customer loyalty programs, daily-weekly-and-monthly promotions and complementary offerings, which are strategically designed to attract patrons to visit the gaming sites, increase their visitations and stay and encourage the patrons to play longer periods of time at the gaming sites. In addition, the Purchaser has a hands-on approach to the operations by ensuring that the very highest standard of customer service is offered. It allows for direct contact with the patrons in order to gain a better understanding of their needs. In addition the firsthand experience allows for continual improvement of company policies, procedures and overall operation, which is especially essential in Asia's competitive gaming market. The management team is of high caliber, having many years of experience in the industry. The business model is based on a scale structure, where the head office will be able to manage multiple gaming sites under the key managers thus making it easier to move quickly on opportunities in Macau and even new opportunities throughout Asia. As such, based on the above experiences, the Purchaser will expand its business in Macau and the Asian region in the coming three years. The management projected future needs for the Products and Services after taking into consideration of the business plan of the Group to increase the number of slot and terminal machines to be operated under the Group to 3,000 or more slot and multi terminal machines, of which about 30% has been planned to be purchased from the Supplier throughout Asia in the coming three years. We have discussed with the Purchaser and understood that normally around 100 to 200 slot and multi terminal machines will be installed in each casino and the Purchaser has already targeted several casinos in Macau which considered to be their potential business co-operations. Also, the Purchaser has conducted research in some potential markets of the Asian region and recognised that the estimated number of operating slot and multi terminal machines in those markets ranged from several hundreds to less than 15,000 and, therefore, the Purchaser considered that, together with their experiences in Macau, it is beneficial to the Group to expand its business into the Asian region. According

LETTER FROM NUADA LIMITED

to the Purchaser, since the Group plans to expand the business in the Asian region (other than Macau) during the year ending 31 March 2016 which may require more time and effort to develop the new markets, the number of slot and multi terminal machines to be acquired during the year ending 31 March 2016 will be less than the period from the Commencement Date to 31 March 2015. After the establishment of its presence in the markets in the Asian region, the Group will continue to expand in these markets and, therefore, the number of slot and multi terminal machines to be acquired by the Purchaser will increase in the year ending 31 March 2017. Based on (i) the experiences and expertise of the Purchaser; (ii) there are several potential business co-operations in Macau; and (iii) the development potential of the Asian region, we consider that the projection, in relation to the quantity of the slot and multi terminal machines, by the Purchaser according to the business plan is after due and careful consideration and is fair and reasonable. Also according to the World Economic Outlook published in April 2014 by International Monetary Fund (“IMF”), the real GDP as projected by IMF to the World for 2014 and 2015 is 3.6% and 3.9% respectively. As such, the projection of increase in 5% per annum for the average purchase price of the Products will create a buffer for the Purchase Caps and are considered to be reasonable. On the above basis, we consider the Purchase Caps under the Agreement are fair and reasonable.

RECOMMENDATIONS

Having considered the above principal factors, in particular that the Group can secure stable and reliable supplies by entering into the Agreement, we are of the opinion that entering into the Agreement is in the ordinary and usual course of business of the Group, the terms of the Agreement are on normal commercial terms which are fair and reasonable so far as the Independent Shareholders are concerned and the entering into of the Agreement is in the interests of the Company and the Shareholders as a whole. Accordingly, we advise the Independent Shareholders, and also recommend the Independent Board Committee to advise the Independent Shareholders, to vote in favour of the relevant resolution to be proposed at the SGM to approve the Agreement and the transactions contemplated thereunder including the Purchase Caps.

Yours faithfully,
For and on behalf of
Nuada Limited
Kevin Chan
